

Here Are a Few Examples of What a Donation Can Provide at Manna

\$25 provides meals for five families at our soup kitchen

\$50 provides groceries from our food pantry for 8 families

A contribution toward fuel oil or rental assistance to a desperately needy family

Manna Services

\$200 provides a warm bed, counseling, and three nourishing meals for a day

\$100 provides a session of professional counseling for a struggling family through our outpatient services

When you donate to a nonprofit organization, your gift has an even greater value because it is placed in the hands of people who help other people. Thank you for helping us at Manna Ministries, a place of Rescue, Hope, and Restoration.
