

The Spirit of the Lord is upon me, because he has anointed me to preach the gospel to the poor; He has sent me to heal the brokenhearted, to preach deliverance to the captives... to set at liberty those who are bruised..."

Dear Friend,

These words from the gospel of Luke are the basis of our mission statement at Manna Ministries. In Scripture we see that before Jesus acted, he was 'moved with compassion.' that is the impetus for us at Manna Ministries. We see people, not conditions. We feel compassion and mercy, not contempt and judgment. Our calling is to reach out in love and rescue.

Of great concern these days is the rapid popularity of the new drug 'bath salts.' Bangor is being called the capitol for bath salts in New England. Emergency room doctors and local police are facing an upsurge in overdoses and criminal activity linked to bath salts. I am preparing my staff to work with people who have become addicted to yet another new 'designer drug.'

While Manna cannot stop the inflow of this and other illegal drugs, we can help those who have fallen prey to the lies and lifestyle of drugs. Manna Outpatient Services and our residential programs exist to liberate people lost to addiction. These programs work! I get to witness, over and over, families being restored. It is a beautiful thing.

Your donations make this possible. Because Manna Ministries is right here in Bangor, people can get help right here in Bangor. Because donors are generous, our own economy gets a boost when these graduates get a meaningful job, pay their taxes, and get off the welfare rolls. The payback, both personally and to the community, is worth the expense.

Manna's purpose has always been to serve and comfort the poor, downtrodden, and the brokenhearted. Will you help us continue this vital ministry? Your check today will insure that Manna continues to have the resources necessary to Rescue, give Hope, and move families into Restoration

Together in this Ministry of Compassion,
