

Thanksgiving at Manna: a time to show we care

Something NEW is coming to Manna!

Yes, **Anne's House** is finally a reality! Opening a transitional home for women with children has been on my heart now for several years. Our area has been in need of such a facility, and now we can offer moms and kids in crisis a place to recover from unbearable circumstances and get the help and healing they need for a healthy household.

We have a great staff and programs in place and have made the facility safe and inviting to women in crisis.

We will be in constant need of good clothing, household items to help get them started in their own homes, and of course financial support.

To find out how you can help, give us a call at 207-990-2870. There are many options, including sponsoring a room for a day.

Dear Supporter:

Thanksgiving is right around the corner and here at Manna we are already making preparations for our annual Thanksgiving dinner. This year just **\$2.28** will provide a Thanksgiving meal for someone who would otherwise go without.

But at Manna Ministries, we do not just offer nourishing food, but also *life-changing care*. A meal offered with compassion - and without judgment - can be a first step toward a fresh start at a better life with God at the center.

We regularly hear from people we have helped. Liz* told me, "*I love..Manna. It is like a second family to me and I know that during hard times they are always there for me.*"

Brent* said, "*...the help I've received...has helped me to get my life back on track and has helped me find peace in my heart.*"

This is what comes from just providing a meal and a safe place. People open up about their struggles. By helping us deal with their problems, **you** are doing something to improve life in our city. So I'm asking for your help with that first step - feeding the hungry for just **\$2.28** a meal this Thanksgiving season.

Your generous gift today of \$18.24, \$26.48, \$54.72 - or whatever you can give - will help provide our community's poor with food, shelter, and *loving care* this Thanksgiving and throughout the year. Will you give today?

Thank you and God bless you!

P.S. Please send a gift today. When you do, it is like setting a place for a needy person at your own Thanksgiving table - but we do all the work! Happy Thanksgiving!
