

...as Christ was raised from the dead through the glory of the Father, so we too might walk in **newness of life**. Romans 6:4

Dear Supporter,

Newness of life. New. Life. Don't you like the sound of that? That's what Easter is all about - the power of **new life**. Death followed by resurrection. That's amazing! And who doesn't want a **new life**, especially those who feel stuck in poverty or addiction?

Manna's whole focus is **new beginnings** - hope, rescue, and restoration. We use special events like our **Hunger to Hope Easter Dinner** to get that process started. Despairing people come for a meal, then they come back for our ongoing, life-changing Christian ministries. Lives dramatically transformed! It happens every year and *you can be part of that!*

Our **Hunger to Hope Easter Dinner** is specifically for the many who would not walk into a church, but will come to Manna to celebrate a traditional Easter. When they come, we work within our mission focus by

- serving delicious food,
- sharing the message of God's hope through Jesus Christ, and
- by offering the programs that will be most beneficial to them.

Manna's motto is **Neighbor Helping Neighbor**, because it could be *your* neighbor, co-worker, or the person in front of you at the grocery store who comes seeking **newness of life**. Because of that, we have no problem asking our community to help support Manna Ministries and share in our efforts to bring hurting people from *Hunger to Hope*.

Have a blessed Easter,
